### **Central Illinois Rural Coalition on Development**

Our mission is to provide a mechanism enabling communication and interpersonal networking among rural communities in Central Illinois.

CI-RCD is a community membership driven organization that provides the mechanisms to accomplish the above stated mission. CI-RCD proactively advances our mission in support of the mutual benefit of each community.

CI-RCD will strive to strengthen and enhance economic opportunities, the quality of life and governmental influence for each individual community as well as the region

### **Stark County Communities Fund**

Stark County Communities Fund has been established to accept donations of any size that will be pooled together to create an endowment that will continue to generate funds in perpetuity.

The interest generated from this endowment will be used to make grants to qualified organizations, units of government and others for projects that will enhance the communities of Stark County. Funds might be used to improve the appearance of the community, bring more people to the community, increase business in the community or for similar goals.
